**For Immediate Release**

**William B. Meyer, Inc., Premier Sponsor**  
**For Connecticut Children's Medical Center 1<sup>st</sup> Cancer Survivors Day**

(Hartford, CT) William B. Meyer, Inc. was a premier sponsor of the first Connecticut Children's Medical Center's Cancer Survivors Day event held on Sunday, June 1 at Riverfront Plaza in Hartford, CT. Several hundred children who have beaten cancer or are currently in treatment with CCMC's Department of Hematology and Oncology and their families attended this auspicious inaugural event. It was a day of fun, food, celebration and the kickoff of a new *REACH for the Stars Survivorship Clinic*. The carnival celebration for current and past patients included games, food, a tricycle "skills challenge," art activities and health information. Activities were available for kids of all ages.

Connecticut Children's Medical Center is home to the most comprehensive pediatric oncology program in Connecticut and Western New England -- providing state-of-the-art, comprehensive and compassionate care for children and adolescents with cancer. With advances in care over the last 30 years, over 80% of the kids treated for cancer are survivors. The new Reach for the Stars Survivorship Clinic will support the long-term physical and emotional health needs of these remarkable young people.

William B. Meyer, Inc. continued its ongoing support of Connecticut Children's Medical Center, not only financially, but with a host of volunteers. Dozens of members of the William B. Meyer, Inc. team and their families and friends spent this fabulous and meaningful day organizing games, supervising activities, serving food and even being dunked in the dunk tank to the delight of these remarkable children and their families.

"This was a very special day for all of us at William B. Meyer, Inc. and I would like to thank Connecticut Children's Medical Center for inviting us to participate. Watching and interacting with children who have survived cancer and some who are currently undergoing treatment and their families lose themselves in a day of total celebration and fun was indeed heartwarming. We look forward to continuing our support next year." stated Tom Gillon, President, William B. Meyer, Inc.

William B. Meyer is a diverse, fourth generation family-owned company enjoying its 93<sup>rd</sup> year in the transportation industry. Their areas of expertise range from household and commercial moving; office interiors; library relocation; order fulfillment; records management and courier services to rigging.
