William B. Meyer Announces New Vice President/CIO

William B. Meyer, Inc., of Stratford, CT, one of the leading single source transportation and storage providers in the country has announced the promotion of Frank Shiboski to the position of Vice President and Chief Information Officer. In Mr. Shiboski's tenure with William B. Meyer, he has been a catalyst in transforming the company to a position where technology is utilized to have a competitive edge in the marketplace. Mr. Shiboski has also been instrumental in the development of WBM's information systems that are critical to the daily operation of our business.

Frank Shiboski joined William B. Meyer as the Director of Information Systems over four years ago. He has over twenty years of experience in the field of information technology.

"Frank Shiboski has demonstrated his ability to help drive sales growth while addressing the needs of applying technology to servicing our customers and enhancing our productivity." stated Tom Gillon, president, William B. Meyer, Inc. Chuck Mattes, executive vice president commented, "Frank Shiboski has made outstanding contributions at the senior management level and he has helped us formulate policy and strategy to move our company forward. The effort and energy he adds to the pursuit of our goals is appreciated by the entire staff."

William B. Meyer is a diverse, fourth generation family-owned company enjoying its 89th year in the transportation industry. Their areas of expertise range from household and commercial moving; office interiors; library relocation; order fulfillment; home delivery; records management and courier services to rigging.
